

**ARCTIC
FRONTIERS**

THE
ARCTIC
FRONTIERS
STRATEGY
2026-2030

VISION

Knowledge-based solutions
for a resilient, sustainable
and thriving Arctic region

MISSION

Arctic Frontiers
turns conversations into
knowledge-based action
by connecting science, policy,
business, and Arctic communities

VALUES

CREDIBLE
INTERDISCIPLINARY
BOLD

GOALS

Place science and knowledge at the centre
of holistic discussions on the future of the Arctic
•
Create spaces and events to bring people together
for exchange and networking
•
Develop collaborations and partnerships
to strengthen the Arctic community

**ARCTIC
FRONTIERS**

P

KNOWLEDGE

PLATFORM

COLLABORATION

ars

PILLAR 1: KNOWLEDGE

ACTIONS

- Facilitate actionable science and knowledge-based decisions through curated programs
- Raise awareness of Arctic issues by communicating effectively with the public
- Build capacity and empower youth to engage with Arctic topics
- Bring together pan-Arctic perspectives and lived experiences, including from youth and Indigenous Peoples
- Strengthen the organization's internal competence and knowledge

GOAL:

Place science and knowledge at the centre of holistic discussions on the future of the Arctic

PILLAR 2: PLATFORM

ACTIONS

- Center and bolster the Arctic peoples and Arctic states in discussions about the region's future
- Utilize the competence of partners and collaborators towards valuable curated content
- Broaden the Arctic Frontiers network and reach to contribute to the region's soft infrastructure
- Strengthen the Arctic Frontiers brand and visibility
- Create inviting spaces for networking with new and familiar voices

GOAL:

**Create
spaces and events
to bring
people together
for exchange
and networking**

PILLAR 3: COLLABORATION

ACTIONS

- Facilitate new projects and initiatives with the pan-Arctic community
- Bridge perspectives through international collaboration and presence
- Contribute to the Arctic identity in Norway
- Engage with local and regional partners to address shared challenges and opportunities
- Maintain a robust organization and strengthen the partner network

GOAL:

**Develop
collaborations
and partnerships
to strengthen the
Arctic community**
